Mastering Leadership
and Taking Charge
at the SW Graduate School of Banking at SMU

The SW Graduate School of Banking at SMU Cox School of Business prepares future leaders in the banking industry for greater responsibilities with peer networking, team-building experiences, living case studies, a tailored curriculum, and an exceptional student-faculty ratio.

Emerging leaders and experienced financial professionals—including regional presidents, commercial loan officers, branch managers, credit analysts, cashiers, mortgage lenders, consumer lenders, operations officers, and state and federal regulators—gather each summer on the beautiful Southern Methodist University campus for a nine-day leadership development program that propels careers in the financial services industry.

From essential core elements to the latest management strategies, SWGSB is a collaborative style of learning that empowers you to gain mastery of leadership with sessions in three consecutive years. This proven approach is transformative, hands-on executive education at the graduate level that’s exceptional, engaging, and elevating.

Dallas, Texas
May 28 – June 7, 2024
Greetings!

Dr. Chittenden welcomes you to the nation’s leading graduate school of banking. In collaboration with the legendary Cox School of Business at Southern Methodist University, SW Graduate School of Banking will immerse you in an executive education experience like no other.

Our nationally renowned faculty and real-time curriculum will prepare you to lead, build, and advance the mission of your financial organization. As a faculty member for more than two decades, I can assure you that the SWGSB has changed the trajectory of thousands of careers. It is a transformational experience that builds effective leaders.

We have exciting plans for SWGSB 2024. You can see the program develop on our website at swgsb.org. If our team of professionals can assist you in any way, please contact us at info@swgsb.org, or (214) 768-2991.

Sincerely,

William T. Chittenden, Ph.D.
Chief Academic Officer

Dr. Chittenden welcomes banking professionals from throughout the U.S. and Belize.
From the moment you arrive on campus, you are a full participant in the campus educational experience. At every turn, you are challenged to take an active role in your education, learning from instructors and sharing your knowledge and experiences with your peers. The result is a dynamic, graduate-level program that creates leaders and achievers.

THE LEARNING PYRAMID
SWGSB’s curriculum, designed by leading experts in the field, centers on a distinct learning pyramid. Core requirements form the foundation, followed by case studies and management exercises designed to strengthen decision-making and leadership skills. You customize the SWGSB program with your elective choices that reflect your interests and the state of the industry. Strategic visioning is the capstone leading to peak performance.

FIRST YEAR
FRESHMAN CURRICULUM
The first year is focused on problem-solving skills. The indispensable tools needed to measure performance, evaluate risk, and manage the organization are emphasized. The first resident session lays the foundation for the overall program.

SECOND YEAR
JUNIOR CURRICULUM
During the second year, the emphasis is on management and leadership of various functions, departments, products, and the overall bank. In addition, the curriculum focuses on the macro environment and the impact this has on the industry and your organization. You will begin to tailor the program with your choice of career-enhancing electives.

THIRD YEAR
SENIOR CURRICULUM
The final year focuses on mastering your strategic planning and visioning skills, and cumulates in building a strategic outline in your Living Case Study. Our elite faculty will guide you through the development of strategic solutions to problems and issues facing the industry.

Intersession assignments follow the first and second years.
The assignments are focused on applying the SWGSB curriculum to your institution.
All classes will be in person with networking breaks.
Visit SWGSB.org for core curriculum.

Unrivaled Leadership Development

“In seeing the SWGSB program firsthand, I am impressed with both the content and the amazing leadership engagement. This is, indeed, an innovative, best-in-class graduate school designed for our economic times and challenges. Look no further than SWGSB for leadership development at the highest level.”

John Hope Bryant, Founder, Chairman, and CEO of Operation HOPE, Inc.
**BANKCEO**

BankCEO is SWGSB’s proprietary bank simulation technology developed exclusively for SWGSB participants. This custom learning microcosm provides a vastly superior approach to acquiring bank management expertise. SWGSB has modernized bank simulation with interactive screens, test runs, instant results, and displays that compare teams using various criteria and statistics. BankCEO—found only at SWGSB—is reflective of the real world of banking and offers participants unparalleled insights. The result is a unique learning experience that distills years of bank management down to a series of well-focused decisions and applications. The web-based program allows you to interact and learn from your peers, in or out of the classroom!

**THE LIVING CASE STUDY**

The Living Case Study provides a rare opportunity to analyze and study a real-world bank, propose changes, and interact with top management. This highly effective teaching method is only found at SWGSB. Each year, a new Living Case Study examines a bank and its most creative ideas—guided by your personal input and responses. It’s a powerful way to test-drive your education by learning firsthand from the bank’s senior management about leading a financial institution in the 21st century. Year after year, your peers rate this as one of the most insightful aspects of the SWGSB program.

**“SWGSB was a game-changer in my career; by quickly moving me up the educational ladder in the industry, as well as helping to build relationships with other bankers for continued collaboration through the years. I have stayed engaged with SWGSB by teaching one or two classes a year and by sending students every year, which is certainly an investment that pays good dividends. It has been my pleasure to watch the continued advancement of SWGSB to meet the current needs of the banking industry.”**
